

FOR IMMEDIATE RELEASE

Enghouse and Mettoni Group Complete the Acquisition of Telrex Intellectual Property and Operations

Markham, Ontario and Kirkland, Washington - June 2, 2010. Today, Enghouse Systems Limited (TSX: ESL) announced the completion of the acquisition of the intellectual property of Telrex LLC and Mettoni Inc., a wholly-owned subsidiary of Enghouse, acquired the Telrex operations. Telrex has approximately 17 employees.

Telrex is a leading provider of IP call recording and contact center optimization software solutions with operations in North America and EMEA. Telrex has over 2,000 customers in the public and private sector, with solutions provided through a network of business partners around the world.

“We are delighted with the acquisition of Telrex,” stated Stephen Sadler, Chairman and CEO of Enghouse. “This acquisition provides Enghouse with a large customer base and a complementary portfolio product that can be leveraged across multiple Enghouse companies and their respective channels.”

“This transaction provides tremendous opportunities for Telrex,” added Telrex CEO Robert Kapela. “We look forward to continuing to provide the best solutions and support to our customers and channels, while accelerating our planned growth into new markets and gaining access to additional resources.”
