

Enghouse Subsidiary, Zeacom, Named UC Collaboration Partner of the Year by NACR

FOR IMMEDIATE RELEASE

Markham, Ontario – April 11, 2014 – Zeacom, an Enghouse Interactive company and leading provider of multi-channel contact center and business communications solutions, today announced it has been named the **2014 UC Collaboration Partner of the Year by NACR**, based on its flexibility and responsiveness in supporting NACR Unified Communications (UC) proposals, sales and implementations.

Zeacom provides NACR with a proven industry partner, and through its Zeacom Communications Center software, a powerful, multi-channel contact center solution. Communications Center addresses both the needs of today's mid-market enterprise and integrates with widely used communication platforms like Avaya and Microsoft.

"As a leader in the integration of UC collaboration technology for the contact center, NACR counts on the great relationships we have with our partners to provide best-of-breed solutions to our customers," said Bret Lathrop, NACR's Senior Director, Contact Center Practice Lead. "Working with Zeacom has enabled us to accelerate the diversity of our contact center practice and to enhance the value of the UC solutions that NACR delivers to customers."

A ConvergeOne company, NACR is a leading global integrator of best-in-class communications solutions and services, and a trusted advisor to more than 5,500 customers ranging from small businesses to *Fortune*® 100 and global enterprises. The company works closely with other technology innovators to integrate the latest hardware, software, and applications into end-to-end multi-vendor solutions for diverse markets.
